

Instructions for using the Asheboro Citizens' Dashboard

Internet Explorer users

Simply click on the Asheboro Citizens' Dashboard button and the document should open in a new window.

Other browser users

*Make sure you are using Adobe Acrobat Reader as your PDF viewer and have installed the latest version. Click the link below to install the latest version <http://get.adobe.com/reader/>.

For other browsers (Google Chrome/Safari/Firefox), please follow these simple steps:

1. Right click the Asheboro Citizens' Dashboard button.
2. Select "Save Target As", "Save Link As", or "Save Linked File As" depending on the browser you're using.
3. When the "Save As" dialogue box opens, save the document to your desktop.
4. Then minimize your browser and go to your desktop.
5. Double click on the saved document and a new window should open with the full Asheboro Citizens' Dashboard document.
